

## WHITE SPA FLEX - PVC

### Pool & Spa Suction Hose

- Pipe-sized hose for O.D. critical applications
- Circulation systems for spa pools, swimming pools & irrigation
- Suitable for above ground and inground installations
- Simplifies plumbing layouts, improves flow rates
- Manufactured with virgin resin and high quality plasticizer
- Designed to be used with PVC pressure pipe fittings (schedule 40)
- Use with "WELD ON" adhesives (Rigid to flex formula)
- FDA approved non-toxic formula
- Available in 15 or 30 Metre coils (depending on hose size)

| ID (mm) | OD (mm) | Working Pressure (Psi @21°C) | Vacuum (in/HG) | Approx Weight (Kgs/Mtr) | Roll Length (Metres) |
|---------|---------|------------------------------|----------------|-------------------------|----------------------|
| 12      | 21.3    | 100                          | 28             | 0.22                    | 30                   |
| 19      | 26.6    | 100                          | 28             | 0.32                    | 30                   |
| 25      | 33.4    | 100                          | 28             | 0.45                    | 15                   |
| 38      | 48.3    | 65                           | 28             | 0.72                    | 15                   |
| 50      | 60.3    | 60                           | 28             | 0.99                    | 15                   |
| 75      | 88.9    | 60                           | 28             | 1.88                    | 15                   |

\* Also available in black for ponds and solar systems
